You don't thrive for more than 100 years because you're lucky.

It takes quality products, constant innovation, and above all a dedication to the customer.

From a pioneer in the development of regulators to a global leader delivering a comprehensive line of flow control products, RegO®- has always kept our customers' interests first.

Quality matters. LP-Gas applications have no room for leaks. That's why we design and manufacture in the U.S., test 100% of our products, and can offer a 10-year warranty. RegO products work better and last longer.

Innovative products, processes and people. We invest in technology and training to deliver flow control products designed to reduce maintenance and replacement costs, and ensure an efficient, safe work flow.

When our customers thrive, we do too. Our experienced team can provide technical support and product assistance. We're here to help in any way, every day.

Quality materials, innovation and long-lasting design are built into every product we manufacture. That's how we can offer a 10-year product warranty—double that of other companies.

Designed, manufactured and tested in the USA. Our four state-of-the-art facilities build the products that are most critical to your application.

RegO Bobtail Delivery Solutions

Delivering peace of mind—and profitability.

Dependability, safety and speed are key drivers for transporting LP-Gas. All RegO products are 100% tested to withstand the rigors of day-to-day operations. They're easy-to-use, and open and shut securely for faster flow rates and maximum safety.

RegO Auto Gas Solutions

Mile after mile, or up and down the aisle

Engineered for years of economical operation and quick fill-ups, RegO's heavy-duty valves and tight seals keep you rolling.

RegO Outdoor & Recreational Solutions

RegO works weekends—and every other day

Our superior products are designed to fill faster, last longer and work reliably for years. Whether your application gets daily or occasional use, one thing is for sure—RegO stands behind our products every day.

*LOW EMISSIONS

RegO Anhydrous Ammonia Solutions

You can bet the farm on our performance

Demanding applications require products you can trust. RegO offers more NH₃ options, and they are all backed with our industry-leading 10-year warranty to help your customers improve their yields with safe, even applications year after year.
